

## REMARKS

Claims 1-55 are pending in this application. Claims 1, 15, 25, 35, and 45 are currently amended correct merely formal matters. In particular, the phrase "each television channel" is amended to read "each of a plurality of television channels" to provide proper antecedent basis. In claim 1, clarification is made that the request is subsequent to distribution of access control information rather than a previous request not recited in the claim. Entry of this amendment is therefore respectfully requested.

Respectfully Submitted,
